Ayush Maurya

JavaScript Developer

JavaScript Developer with a robust two-year history crafting web applications. Specializing in Angular, adeptly navigating React, jQuery, and Node.js landscapes. Committed to staying ahead of emerging trends for a cutting-edge approach to development.

Experience:

Full Stack Developer
Kataria Software Solutions Pvt. Ltd., Gurugram.
March 2023 – Present
- Implemented **SOLID** design principles to ensure code maintainability and extensibility.
- Developed and deployed a feature-rich web application for efficient transport detail management, tracking, and driver information.

Angular Developer
Tata Consultancy Services, Hyderabad.
July 2022 – February 2023
- Providing expertise in analysis and development.
- Fixed bugs and provided support services.

System Engineer
Tata Consultancy Service, Hyderabad.
August 2021 – July 2022
- Resolved conflicting design and system requirements during new equipment installations, end to end testing, system and solution demos, and release.

Recent Projects:

TMSLIVE
- Implemented a comprehensive Transport Management System, enabling real-time vehicle tracking, precise location data, billing, and attendance functionalities.
- Employed SCSS and Angular to elevate the project's visual aesthetics, enhancing styling for an optimal user experience.

TMS-DRIVER
- Successfully integrated live tracking functionality, enhancing real-time monitoring and logistics management.
- Utilized Capacitor to transform the application into a mobile platform, ensuring accessibility and responsiveness.

HRM
- Successfully handled the project from its inception, contributing to every phase of development for a comprehensive HR solution
- Led the end-to-end development of a Human Resource Management system, overseeing the management of new joiner interviews, employee working reports, salary, and leaves.

Education:

- **Master of Computer Applications (2024).**
  Jain University, Bangalore.

- **Bachelor's of Computer Applications (2021).**
  Mukand Lal National College, Yamuna Nagar.
